

"IT MUST BE A DAY FOR PRETTY BOATS"

"ECLATANT" IS A PRETTY, C&C CORVETTE SAILBOAT.

HER DESIGNER, GEORGE CUTHBERTSON CLAIMS THE CORVETTE TO BE ONE OF HIS FAVOURITE DESIGNS.

HE SAID, "***SHE WAS A GOOD LITTLE BOAT FROM DAY ONE***"

IT IS SAFE TO SAY THAT CORVETTES ARE CONSIDERED "CLASSICS"

THEY ARE "CLASSICS", YES, NOT OF WOOD THOUGH, BUT BUILT OF EVERLASTING FIBREGLASS, ALUMINUM, AND JUST THE RIGHT AMOUNT OF BRIGHT FINISHED TEAK TO KEEP HER INTERESTING TO WORK ON AND BEAUTIFUL TO LOOK AT.

THIS FINE YACHT HAS BEEN LOVINGLY RESTORED BY A LIFELONG SAILOR.

ECLATANT WAS BUILT IN 1970 OF SOLID, HAND LAID FIBREGLASS.

HER STRUCTURE IS THICK, STURDY AND VERY, VERY, FAIR.

HER RECENT RESTORATION HAS TOUCHED EVERY ASPECT OF HER BEING. FROM THE BOTTOM TO THE TOP, AND RIGHT DOWN THE MIDDLE, PETER COHRS, OWNER SINCE 2003, HAS POURED LOVE AND MONEY INTO HER.

HER GLOSSY, DEEP BLUE HULL, CREAM COLOURED COCKPIT AND GLEAMING TEAK ARE THE GENESIS OF GLOWING REVIEWS FROM OTHER SAILORS.

"IT MUST BE A DAY FOR PRETTY BOATS"

"THE BEST ROLL AND TIP PAINT JOB I'VE EVER SEEN"

"YOU DID THIS YOURSELF?!"

"WHAT A BEAUTIFUL BOAT, WHAT IS SHE?"

EVEN "BATHTUB" SAILORS WILL ACKNOWLEDGE THE PEDIGREE AND BEAUTY OF THE CORVETTE, ESPECIALLY "ECLATANT"

PETER PARTS WITH HER RELUCTANTLY, AS HIS FAMILY ARE "GIANTS", AND ARE A TOUCH TOO TALL FOR INSIDE A "CORVETTE".

OLDER "IN THE KNOW" SAILORS WILL TELL YOU THAT CORVETTES ARE SWIFT, BEAUTIFULLY BALANCED WITH A SEA KINDLY MOTION.

IN SHORT THEY "SAIL LIKE A DREAM", DESIGNED IN THE RIGHT BALANCE TO HAVE A BEAUTIFUL SAILING BOAT WITH MODEST ACCOMMODATION.

PETER IS LOOKING FOR A NEW, LOVING AND DEDICATED OWNER FOR ECLATANT.
